### § 902.2 Assessments on the Banks.

(b) *Assessment procedure.* (1) At or near the end of each fiscal year, the Finance Board shall approve an annual budget of Finance Board expenses for the next fiscal year. The Finance Board shall promptly provide a copy of the approved budget to each Bank president.

### § 902.3 Monthly interest rate survey.

The Finance Board conducts its Monthly Survey of Rates and Terms on Conventional One-Family Nonfarm Mortgage Loans in the following manner:

(a) *Initial survey.* Each month, the Finance Board samples approximately 1,000 mortgage lenders (savings and loan associations, savings banks, commercial banks, and mortgage loan companies) and asks them to report the terms and conditions on all conventional mortgages (not federally insured or guaranteed) used to purchase single-family homes that each such lender closes during the last five working days of the month. In most cases, the information is reported electronically in a format similar to Finance Board Form FHFB 10-91. The data is weighted so that the pattern of weighted responses matches the actual pattern of mortgage originations by lender type and by region. The Finance Board tabulates the data and publishes standard data tables late in the following month.

(b) *Adjustable-rate mortgage index.* The weighted data, tabulated and published pursuant to paragraph (a) of this section, is used to compile the Finance Board's adjustable-rate mortgage index, entitled the "National Average Contract Mortgage Rate for the Purchase of Previously Occupied Homes by Combined Lenders." This index is the successor to the index maintained by the former Federal Home Loan Bank Board and is used for determining the movement of the interest rate on the renegotiable-rate mortgages and on some other adjustable-rate mortgages.

(c) *Means of survey.* The Finance Board collects the data for the compilation of the indices described in this section by contract. Pursuant to such contract, a Finance Board form, entitled "Monthly Survey of Rates and Terms on Conventional One-Family Nonfarm Mortgage Loans" (FHFB Form 10-91), is distributed to selected

lending institutions. The data is collected, compiled and processed, and the completed survey results are forwarded to the Housing Finance Directorate of the Finance Board for tabulation and distribution.

### § 902.4 Schedule of charges for agency services.

(a) *Authority.* Section 9701 of title 31, United States Code, directs government agencies to charge a fee for any special service provided to a selected segment of the public that makes use of such special service (31 U.S.C. 9701). The Office of Management and Budget's Circular A-25 contains guidelines for agencies to follow when promulgating regulations for such user fee charges. This section implements that authority.

(b) *ARM Index special programming service.* (1) The Finance Board develops and makes available special tabulations of its monthly interest rate survey data for individual users, upon request.

(2) Each request for a specialized interest rate survey will be made in writing to the Housing Finance Directorate.

(3) The fee for such special service is a \$100 per hour for the analyst's time, with a minimum charge of \$100, prepaid, to accompany the written request.
